

### Certificate of Analysis

|              |                                   |
|--------------|-----------------------------------|
| Product Name | Bisindolylmaleimide I (GF109203X) |
| Catalog No.  | V1526                             |
| Batch No.    | V152602                           |

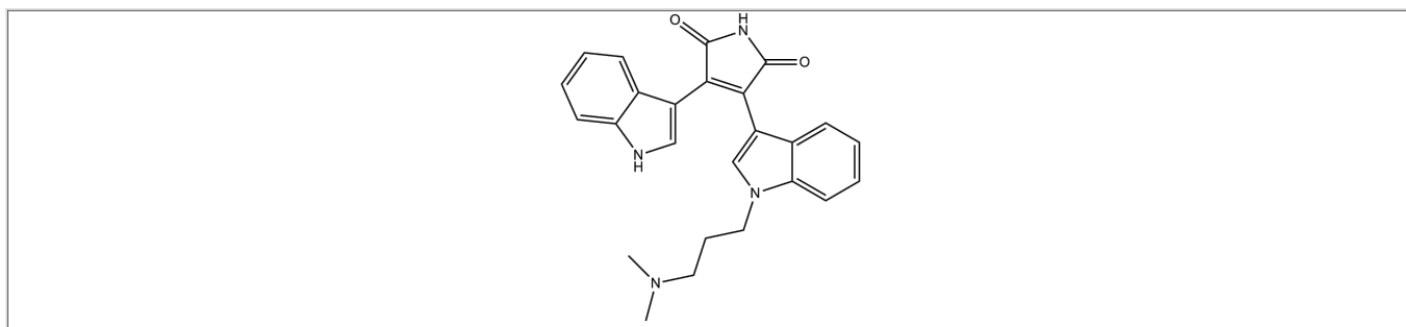

#### 1. Physical and Chemical Properties

|                   |                                                               |
|-------------------|---------------------------------------------------------------|
| Appearance        | Powder                                                        |
| Molecular Formula | C <sub>25</sub> H <sub>24</sub> N <sub>4</sub> O <sub>2</sub> |
| Molecular Weight  | 412.48                                                        |
| Purity            | ≥98%                                                          |
| CAS No.           | 133052-90-1                                                   |
| Production Date   |                                                               |
| Retest Date       | 2028-03-08                                                    |

#### 2. Analytical Data

| Test Item | Specification | Result |
|-----------|---------------|--------|
| HPLC      | ≥95%          | ≥98%   |

#### 3. Structure

#### 4. Storage Condition

|                   |                                                                                                                    |       |          |
|-------------------|--------------------------------------------------------------------------------------------------------------------|-------|----------|
| Storage Condition | Powder                                                                                                             | -20°C | 3 years  |
|                   |                                                                                                                    | 4°C   | 2 years  |
|                   | In solvent                                                                                                         | -80°C | 6 months |
|                   |                                                                                                                    | -20°C | 1 month  |
|                   | <b>Note:</b> This product requires protection from light (avoid light exposure) during transportation and storage. |       |          |
